EXAMPLES OF OUR ABILITIES:-

Working closely with The Royal Marsden Hospital in Sutton, Surrey, we designed and manufactured light fittings to be installed above the Radiotherapy beds in their new Radiotherapy Suite.

Designed and Manufactured Light fittings for Trains

London Underground:-
Northern Victoria, Bakerloo, Central and District Lines

Channel Tunnel Locomotive

Royal Mail Carriages

These projects were over a 5 year period and today we are still manufacturing spares for these lines., and, where possible, incorporating diffusers made from “new to the market “ materials.
